Elinor Hart
Vision House

Dear Elinor,

Partners Unlimited, the newsletter you created and edited about law firm partnerships with DC Public Schools was a wonderful asset to the Committee's Public Education Project. The articles, pictures, and columns showed how enthusiastic students, teachers, principals, and especially law firm attorneys and staff were about partnership activities.

The school partnership newsletter played a major role in tripling the number of school partnerships and one of the reasons I was glad to have the opportunity to work with you.

Kent
